## CAREER OBJECTIVE:

Motion Director

## SKILLS SUMMARY:

Having studied Digital Media, Fine Arts, Animation and Multimedia, I have a strong and mixed background. I am a creative user of Photoshop, Illustrator, Flash, Final Cut Pro, and After Effects.

I am an enthusiastic and dynamic person. I think that happiness and love for what we do, stimulate creativity. I always give my best to whatever project I am assigned to. I am a fast learner and I can pick up new tools and new techniques quickly.
